Details for all the activities and hotel information will follow. We are collecting money now in order to set up this grand weekend. Please log on to thsclassof1967.com and make your pre-payment to the Saturday night event. (No money will be taken at the door that evening, so it is imperative that you make your reservation and payment no later than September 30.) As an added incentive, if you register and pre-pay by June 15, your name will be entered into a drawing for a fabulous gift basket. For those that are not able to access the internet, you may make your payment by check to Vance Elswick, 3611 Muirfield Drive, Titusville, Florida 32780.

We hope also to have a menu of events available for Saturday, October 28, during the daytime. As more information becomes available, it will be published via the website mentioned above.

In an effort to have a good turnout for our reunion, we are asking your help reaching classmates. Please contact as many of our graduating class as you can. To date, 110 of the original 420 of us have signed in to our class site on <http://classreport.org/> This sign on information allows us to reach you via email instead of snail mail, both a timesaver and a money saver!

Please check the websites regularly for updates and extensions of information on this great weekend.

If you have any specific questions that you need answered, feel free to contact Deborah Rece Kelly at 770-595-7113 or jeffdebkelly@comcast.net or Vance Elswick at 407-417-1180 or velswick@yahoo.com

We are so looking forward to seeing you in October. We promise it will be an event to remember!

Sincerely,

Titusville High School Class of 1967
