Aloha, Classmates!

We're cruising to **Alaska** for our **65th Birthday!**

At our last reunion, it was suggested that we celebrate our 65th birthday with a cruise to Alaska. The committee has worked on this package for the celebration. Read on and Come Join Us on this cruise!

Date: 1 week, FRI AUG 29 to FRI SEPT 5, 2014

Itinerary: The cruise beginning at Seattle with stops at Ketchikan, Juneau, Skagway and Victoria BC before returning to Seattle. See the glaciers at Tracy Arm Fjord, gold mining settlement at Skagway and for you wine connoisseurs, there is a wine cellar on board your ship with a Sommelier to offer insight on the fine art of wine selection..

Your Ship the **Celebrity Solstice**, debuted in 2008, carries 2850 passengers. It's a beautiful ship to spend your cruise on ... take a look: <http://www.celebritycruises.com/explore/ships/detail.do?shipCode=SL>

Some of the highlights on board are:

- The lawn!
- The glass show
- THE SERVICE!

Special touches such as champagne at embarkation, warm towels and water waiting for you when you return from your shore excursions at each port, late night appetizers served by waiters in the lounges and the casino, all to make you feel extra special.

The absolute best thing onboard is the naturalist, Brent Nixon. He has daily talks about Alaska and all its glorious wonders, and narrates while the ship travels through points of interest (such as Tracy Arm Fjord). He is so entertaining that you won't even know you're actually learning a thing or two!
