Please help us find our classmates! If you have stayed in contact with someone who is Missing at our website, please ask them to visit the website, or forward their contact information to our reunion email account: gphs50reunion@gmail.com or write it on the back of this form and mail it to the address above. We will update the website for them. *There is a list of Missing classmates at the website. Click on the link to find names there.*

Very Important! If you or someone you know has registered at other class reunion websites or social media groups such as Classmates.com or the Grants Pass Alumni site, they will not receive our updates. They must be registered at our Classreports.org website (the website address is above on this form) to be counted and have a name tag for the reunion. This is the only website for this, and future, reunions for our class. *We hope to see you this summer!*
