The John H. Reagan Golf Tournament for Scholarships

PLEASE SAVE THIS DATE: Monday, September 26, 2022

We have very happy and exciting news regarding our next John H. Reagan Golf Tournament for Scholarships and reunion dinner. This event will be held at **Pine Forest Country Club** 12 minutes from I-10 West and Highway 6 – with a beautiful two-story, large ballroom for our evening reunion dinner/awards and raffle drawings, two outside, covered areas for the golfer and volunteer lunch and a very well-maintained 27 holes of golf, *with no homes on the course*. The six raffle duffels will include over \$2500 in golf items, some of which you may choose from the Pro Shop on that evening. The date for this long-delayed annual event will be **Monday, September 26, 2022**.

We sincerely appreciate our loyal, reliable and hardworking volunteers who dedicate almost a year to help make this event flow smoothly AND, we so appreciate all of you who registered and paid as early as 2019 to participate. COVID -19 changed so many lives and plans.

We are attaching a list of approximately 78 golfers who have registered, including 48 who have already paid. We have over 100 registered for dinner, counting 35 volunteers and several who have paid for dinners (Norman M., John F. and Jane M.) If you have a question about your team on this list, please contact Steve Marmion at 713-823-1025 or S84060@comcast.net. One of our scholarship students, who has been on the Dean's List every semester, will earn her doctorate in Pharmacy in 2023 and will speak briefly at the dinner.

We will honor four Reagan graduates with scholarships. Two who will be honored with scholarships named in their memory are Jerry Benson '63 and Bill Young '50. The other two, in honor of Melanie Rodriguez '96 and in memory of Joe Tusa '45 were announced at an earlier time.

We will write you again soon.

We still have room for more golfers and for more diners!

With sincere thanks, The John H. Reagan Scholarship Committee
