Be sure to bring your phone or camera for candid shots. Weather may still be a little warm, but cooling off at night. Most of the activities are outside, so send positive thoughts for good weather! As always and in the style of our class, this is a casual celebration with the emphasis on visiting, reconnecting and laughing. So prepare for laugh lines, tired feet, full tummies, and lots of memories. We've been a close class having our reunions every 5 years with other small group gatherings even more frequently. Don't let this opportunity to reconnect pass you by. This is the time of life to renew and celebrate our friendships! So, contact a classmate and bring them along for the fun.
