Classmates let's get together again!

Feel free to bring food and drinks for yourself or to share. Let's have a picnic with some old friends... or this is a great opportunity to make some new ones!

Bring chairs, blankets, photos, yearbooks, toys, cameras, etc. This is a casual gathering of our classmates. We have reserved the picnic area with tables to seat 75 people. There is no charge for the event but the park charges \$7 per day for parking, which is limited so you might look to car pool.
