

LHS '66 Classmates,

For those wondering about a SIXTIETH REUNION (late summer early fall 2026), we'd like to let everyone know conversations are happening! Of course it's always good to get feedback from those of you interested in attending. It is a couple of years away, so we have plenty of time.

If you haven't updated your contact info at classreport.org please do so. Reunion status updates will be emailed, and posted on Facebook. Thanks for being patient.....stay tuned!
