

## Dates Announced for Brighton '75 50th Anniversary Reunion

From: Murray Levison (brighton75@aol.com)

To: brighton75@aol.com

Date: Thursday, March 21, 2024 at 11:41 PM PDT

This was the advance notice of the dates and a preliminary schedule sent by email in March 2024.

Thank you to the dozens of classmates who responded to our reunion questionnaire. You preferred that our 50th Anniversary reunion in 2025 take place during the summer and that we avoid holidays, college graduations, homecomings, and major public events in Rochester. We have delivered.

**We are excited to announce that our reunion will take place from Friday, August 8, to Sunday, August 10, 2025. Please block these dates on your calendars so you can attend.**

On Friday we will gather for an evening of casual conversation at a cocktail party at Shadow Lake Golf Club.

Saturday evening will bring us to an elegant dinner at the George Eastman House and Museum, where the entire building and gardens will be ours to enjoy.

Our memorable weekend will end with a Sunday afternoon picnic at a local park.

More details will be provided in the coming months.

For some of us, we've known each other since September 1962 in kindergarten - more than 60 years ago. For many others, it's been more than 50 years since our first day at Brighton High in September 1971. And for all of us, 2025 will mark the 50th anniversary of when our class was graduated from Brighton High School, whether you were there for all 13 school years or not. What a great opportunity we will have to reconnect soon.

### **Using Our Class Website**

If we're using an email address that you don't check regularly, or if you changed your postal address in the last ten years, you can update your profile on our website at <https://www.classreport.org/usa/ny/rochester/bhs/1975/> and find contact information for

your classmates there. How to sign in to your profile can be found at the “Click Here for Reunion Documents” link on the left side at the bottom of the 50 Year Reunion Announcement box on the home page.

### **Missing Classmates**

There continue to be classmates for whom we do not have an email address, so we are unable to easily and quickly communicate with them the exciting news about our reunion dates. And there are some classmates for whom we do not have an email address OR a street address, so we’re unable to reach them at all. Please review the list of “missing classmates” found at the “Click Here for Reunion Documents” link located on the home page of our website at <https://www.classreport.org/usa/ny/rochester/bhs/1975/>. Send us any contact information for these missing classmates that you have.

Note: If the only email address you receive this notice at is a business address, we would hate to lose touch with you after you retire or otherwise leave that employment. Please provide us with a personal email address that we can keep in reserve.

We look forward to seeing you in August 2025. And thank you for making '75 Best Alive!

# How to View and Edit our Class Directory at the BHS 1975 Website

As has been the case since March 2015 when we switched hosts, our class website:

- Is completely free to use
  - Is secure
  - Has no ads or pop-ups
  - Never sends any unsolicited emails
  - Never displays your street address or phone number (although there are fields for that information, it is for class administrator use only; if yours has changed since 2015, send your current postal address to [Brighton75@aol.com](mailto:Brighton75@aol.com))
  - Allows you to choose whether or not your email address is visible to registered classmates (your email is not visible to anyone else, even if that other person uses Classreport.org for a different school or a different Brighton class year).
- 

To see our class website, go to [www.classreport.org/usa/ny/rochester/bhs/1975/](http://www.classreport.org/usa/ny/rochester/bhs/1975/)

In the center column of the website's home page, there are three ways to get started:

1. If you know the email address for your profile and remember your password, click on "Log In Here" and enter your email address and password.
2. If you know the email address for your profile but don't remember your password, click on "Log In Here" and then click on "Lost Password?" You'll be asked to enter your email address. If the email address you've entered matches the one in your profile, you'll be sent your password. Otherwise, follow step 3 to register as a new user.
3. If you have never registered or don't remember the email address and password for your profile, click on "Click Here To Register." Follow the prompts to find your name (it will be your name from your Brighton school days), and fill in the requested information. If your name isn't listed, it's probably because we hadn't previously identified you as a classmate. There is an option to add your name and profile information. Expect to be contacted by the class website administrator if you are adding yourself as a new classmate so that your class involvement can be verified.

When looking through the class directory, some of the information is only visible after you've signed in.

If you are looking for the email address of a classmate, you may find the following entries in the email address field:

- "This address may be viewed by logged on BHS Alumni only" means you must first sign in to see the email address.
- "This address is not available" means we do NOT have the email address and we will not be able to send information to this classmate in a timely manner.
- "This address has been marked Private" means we have the email address but the classmate doesn't wish to share it with classmates.

If you want to add or change the photograph posted for your directory entry, you'll have to email it to Murray at [Brighton75@aol.com](mailto:Brighton75@aol.com). The ideal size of a photo is 160 pixels high with a width of something less than 160. The file size must be less than 20KB. Acceptable formats are JPG, GIF, and BMP. Unfortunately, PNG format is not supported.

If you have any trouble with the class website or have questions, please contact Murray Levison at [Brighton75@aol.com](mailto:Brighton75@aol.com).
