

Be A Mentor Today
Change a Life for Tomorrow

Calling all Will Rogers High School Alumni and Friends
to be a part of the STIRRUPS Mentoring Program

STIRRUPS Mentoring Program is in its second year for Will Rogers students - grades 7th through 12th. Some of the students are not currently receiving enough help to reach the school goal of attending Tulsa Community College on campus or Tulsa Technical College during their junior and senior years.

The Will Rogers Community Foundation founded the STIRRUPS Mentoring Program last spring in coordination with Communities In Schools organization on campus. We are seeking volunteers who are willing to commit to one hour per week to meet one-on-one with a student. There is a two hour training requirement to participate, and we work with your schedule.

Will Rogers College Junior High and High School is located at 3909 E 5th Place, four blocks east of the University of Tulsa in a beautiful Art Deco Masterpiece.

Here's the Mentoring Opportunity

- o Mentors are needed to provide support to the WRCHS students
- o Mentors will commit to the program one hour on one day per week
- o Mentors can meet with Mentees during or directly after school
- o Mentors meet with Mentees in a one-on-one situation and a background check will be required
- o Mentors are a role model, friend, motivator, and listener
