Our class directory is fully funded and freely available to all our classmates at [www.classreport.org/usa/wa/bellevue/bhs/1960/](http://www.classreport.org/usa/wa/bellevue/bhs/1960/). Please sign in, update your profile, **register for our reunion events**, and let us know if you see errors or missing information in other classmates’ profiles, so we can keep in touch. And tell us if you know of a classmate:

- Whose email address is missing or has changed (our information is five years old!)
