50 Year Reunion Announcement!

Saturday, September 20, 2014

Holiday Inn in Manitowoc

Hello again from THE committee.

As we get closer to the reunion date we are asking those that would like to, to please add a BIO to your Profile on the Classreport.org site.

Tell us what you have been up to for the last 49 years. Where you worked, where you have lived or are still living. How about the summer cabin, vacation home, winter home or mobile home. Kids and Grandkids or Great Grandkids.

Retired yet or working because you like too.

We have noticed some classmates have already entered things in their BIO on their Profile Pages and I have to say some of you have led interesting lives. Share what you want with the other classmates, always interesting to see where we have all landed.

If we get enough responses we were thinking about putting together a Memory Book either in print or digitally on our web Site. So share your stories or memories of the last 50 years.

Your email addresses or home addresses would not be in the Memory Book unless you gave permission. You can do that in the notes section of your Profile or in your BIO.

The email addresses in the web site now are only there if you personally entered that info. We will not share any intentionally and that is why we have given you as a classmate the choice to do a check off of what you want to share and what you do not what shared such as email addresses.

if you have any questions please address them to:

Today's Featured Biography

[Joan Rozmarynowski Jaeger](#)

Married Vernon in 1966, when he returned from Viet Nam and never left Manitowoc County! We operated a small dairy farm for 22 years. I also worked as a retail manager and as a sewing machine operator. Enjoyed both jobs. In between, we raised 4 kids. Now we have 3 terrific daughters-in-law and had one terrific son-in-law (now deceased). We have 13 grandkids and 5 great-grandkids. After being a country girl all my life, we moved into Manitowoc last year and I love being close to my oldest granddaughter where I can babysit as much as I want!! We now spend most of the winter in Florida which is most beneficial to Vern's health.
